

Fire-Retardant Driving Gloves

SAFETY

OMP One Evo Gloves, FIA Approved

OMP One Evo Driving Gloves were developed with input from leading pro drivers. Features include external seams and thin leather patches in the cloth palm to reinforce high-wear areas. Leather patches on the first 2 fingers protect against wear from paddle shifters. Printed grip material on the thumb and fingers is also printed inside to keep the glove firmly in place on your hand. Available in Black; Yellow; White with red accents; Green (black and white with green accents); or Navy blue with cyan accents. All colors have a black palm. Made in Italy, FIA approved.

Part No. 2627-001-Size-Color.....\$195.00

OMP Tecnica Evo Gloves, FIA Approved

OMP Tecnica Evo Driving Gloves provide professional comfort and performance. External seams, precurved fingers, and padded knuckles offer great comfort. Printed grip material on the fingers is complemented by thin leather patches on the cloth palm that cushion and reinforce high-wear areas. Black with white; Blue; Red; White; or Anthracite/Yellow. All colors have a black palm and a color-matched wrist strap (Anthracite has a black strap). White and Red have black knuckle padding; all others have color-matched padding. Made in Italy, FIA approved.

Part No. OMP-1B756E-Size-Color.....\$159.00

OMP First Evo Gloves, FIA Approved

OMP First Evo Driving Gloves are made with a special stretchy knit fire-resistant fabric for a very close fit without pressure points. The black cloth palm has printed silicone rubber for excellent grip without bunching. Small suede leather patches on the fingertips provide additional grip with wear resistance. The straight-cut gauntlet is shorter than on other OMP gloves. Available in Black or Red, each with white accents; Navy blue with light blue accents; or Yellow (black with neon yellow accents). All colors have a black palm. Made in Italy, FIA approved.

Part No. OMP-757E-Size-Color.....\$119.00

Glove Sizing - All Brands

To find your glove size, use a cloth measuring tape to measure around the largest part of your hand while making a fist. The tape should go over your knuckles but should exclude your thumb. Use the size chart at right to find your size.

Glove Size Chart

Measurement (inches)	Glove Size
7 1/2 - 8 1/2	Small
8 1/2 - 9 1/2	Medium
9 1/2 - 10 1/2	Large
10 1/2 - 11 1/2	X-Large

Alpinestars Tech 1-ZX Gloves, FIA and SFI Approved

Alpinestars Tech 1-ZX Driving Gloves are designed to be thin and lightweight while providing excellent protection. Precurved fingers with external seams reduce bunching and pressure points. Printed grip material covers the cloth palm and fingers to provide maximum traction without bulk. The material between the fingers is cross-stitched to prevent it from twisting. The logos and graphics on the upper part of the hand are printed (not embroidered) for maximum weight savings. Available in Black, Blue, Navy Blue, Red, Orange, or Yellow (please visit our website for photos and full details on each color combination). FIA and SFI 3.3/5 approved.

Alpinestars Tech 1-ZX Gloves..... Part No. ALP1-321-Size-Color.... \$199.95

Alpinestars Tech 1-Z Gloves, FIA and SFI Approved

Alpinestars Tech 1-Z Driving Gloves provide a secure grip with great comfort. Printed grip material on the fingers and palm provides traction without adding bulk. Excess material has been removed for the new 2017 design, with the final result being a lighter, slimmer, less bulky glove. An innovative new material cutting pattern further increases comfort by eliminating the separate piece of fabric normally found between the middle and ring fingers. Available in Black, Blue, Green, Red, or Yellow (please visit our website for photos and full details of each color combination). FIA and SFI 3.3/5 approved.

Alpinestars Tech 1-Z Gloves Part No. ALP1-322-Size-Color.... \$149.95

Alpinestars Tech 1 Race Gloves, FIA and SFI Approved

Alpinestars Tech 1 Race Gloves are designed to be light and comfortable. Printed grip material in the cloth palm and on the fingers provides traction without adding bulk. The back of the glove is one single piece to minimize seams. Excess material and padding has been eliminated to make the glove even lighter for 2017. Available in Black, Green, Orange, White, Yellow, or Black/Yellow (please see our website for full details on each color combination). FIA and SFI 3.3/5 approved.

Alpinestars Tech 1 Race Gloves ... Part No. ALP1-323-Size-Color.... \$119.95

Alpinestars Tech 1 Start Gloves, SFI Approved

Alpinestars Tech 1 Start Driving Gloves combine professional styling with an entry-level price tag. Printed grip material on the cloth palm and fingers offer a secure grip on the wheel without bunching. The back is one piece all the way from the gauntlet to the fingertips to eliminate unnecessary seams. Available in Black, Blue, or Red. All colors have a black palm with black grip material, and white Alpinestars logos and silver stripes on the back. SFI 3.3/5 approved.

Alpinestars Tech 1 Start Gloves..... Part No. ALP1-314-Size-Color.... \$84.95

OMP Sport Gloves, FIA and SFI Approved

OMP Sport Driving Gloves feature bring you professional quality at a club racing price! The cloth palm and fingers have sculpted black suede leather patches for grip without bunching. Available in Black, Blue, or Red, each with a black palm and white OMP Sport logo and graphics. Made in Italy, FIA and SFI 3.3/5 approved.
