

Racing Brake Pad Tracings

PFC to Hawk Cross Reference

Our tracings are listed in order of the Hawk part number since Hawk covers more applications than PFC. Use this chart to quickly locate tracings for a particular PFC part number.

PFC	Hawk	PFC	Hawk	PFC	Hawk	PFC	Hawk	PFC	Hawk	PFC	Hawk
PF044	HB118	PF720	HB108	PF740	HB107	PF752	HB100	PF765	HB116	PF793	HB122
PF700	HB105	PF735	HB167	PF745	HB192	PF753	HB102	PF767	HB110	PF794	HB121

Note: These brake pad tracings are shown to illustrate certain racing applications only. This is just a small sample of the brake pads we carry. Many more brake pad shapes are available to fit racing and production car calipers in both racing and street compounds. You can find an extensive brake pad application list with many more tracings on our website, in the **Technical Info** section at PegasusAutoRacing.com.

See the Technical Info section of our website for help in determining the correct brake pad for your application.
