

# obp Motorsport Universal-Fit Pedal Boxes

All obp pedal boxes include an adjustable brake bias bar. Remote adjuster cable and master cylinders are available separately.

## Pro-Race V3 Universal Pedal Boxes

The V3 Series feature an anodized T6061 aluminum base and billet aluminum pedals with pads that can be adjusted for length and spacing. These pedal boxes are designed for a universal fit. They are not designed to be a direct fit in any particular car. You will have to do some fabricating and adapting to your chassis.
