

Trailer Security

Left: Trailer Aid Wheel Stop, Small
Part No. 2360-005

Right: Trailer Aid Wheel Stop with Lock, Large
Part No. 2360-001

Stop trailer theft! The **Wheel Club** is made by the same company that brought you "The Club" steering wheel lock. The Wheel Club clamps across any tire from 21" to 28" diameter and up to 9" wide. Just spread the Y-arms over the tire and slide the third arm into the body until all three arms are tight against the tire. Then push in the lock cylinder and remove the key. The lock plate restricts access to the lug nuts so thieves can't just take the wheel off. Bright red finish acts as an excellent theft deterrent. Lock cylinder includes a weatherproof cap and two keys.

Wheel Club..... Part No. 2360-003..... \$79.99

The **Wheel Stop** is an easy way to hold multi-axle trailers in place. Simply place between a pair of tires and turn the knob. The Wheel Stop wedges between the treads to prevent forward and backward movement. Bright yellow construction makes it hard to lose or leave behind. The larger size also features a steel lock bar and padlock for added security. Both sizes fit 26 to 30 inch diameter tires. Use the smaller size when your tire spacing is 1 1/2 to 3 1/2 inches, and the larger size when there is 3 1/2 to 5 1/2 inches of space between treads. Not for use on tractor-trailers or other heavy-duty commercial vehicles. Made in USA.

Trailer Aid Wheel Stop, Small..... Part No. 2360-005..... \$21.99
For 1 1/2-3 1/2" tire spacing

Trailer Aid Wheel Stop with Lock, Large..... Part No. 2360-001..... \$39.99
For 3 1/2-5 1/2" tire spacing

The **Super Chock** is designed just for keeping trailers and tow rigs in place (not for use on tractor-trailers or other heavy-duty commercial vehicles). Ribs on the top and bottom surfaces provide traction. Lightweight (only 2 pounds) so it won't weigh down your trailer. The convenient molded-in handle features a hole for hanging or for tying two units together. High-visibility yellow makes it hard to lose or leave behind. Measures 8.5" w x 5.5" h x 10" d. Sold individually.

Super Chock..... Part No. 2360-002..... \$13.99

Spare Parts Storage and Organization

Small Parts Organizer Boxes

We offer two sizes of divided organizer boxes. Both sizes are made from tough, nearly unbreakable plastic. **Small Organizer** (shown) measures 9 1/8" wide x 5" deep x 1 1/4" high with 18 compartments measuring 1 1/4" by 1 1/4". Removable dividers allow you to make anywhere from 3 to 18 compartments.

Small Organizer Box, removable dividers..... Part No. 4330..... \$6.99

Large Organizer measures 13" x 9" x 2.25" with 12 small 2" x 2" fixed compartments and 6 large 2" x 4" fixed compartments.

Large Organizer Box, fixed dividers..... Part No. 2990..... \$14.99

Heavy-Duty Spare Parts Box

Our strong polyethylene storage box will protect your spare parts and equipment and help to keep things organized. The interlocking cover keeps parts in and dirt out. Boxes stack neatly and securely when the lid is closed and nest to conserve space when empty. This is not the cheap, flimsy, easily cracked box sold at the hardware store. Measures 21" long x 15" wide x 12" high. Royal Blue color.

Heavy-Duty Spare Parts Box..... Part No. 3399..... \$32.99

Tow Hooks and Tow Straps

Tow Hooks and Tow Loops

OMP EB/571

RaceQuip Flexible Tow Loop with Sewn Loop, red..... Part No. RQP898148..... \$18.95
8mm (5/16") bolt-on end plate, 2" wide strap, 3" ID loop, adjusts from 7" to 24" long.

Race Car Tow Strap

This 2" wide, 16 foot long strap is manufactured to the same standards as our ratchet tie-downs for a working limit of 3300 pounds. A snap hook and "D" ring at one end and a sewn loop at the other end make it easy to attach to just about anything.

Race Car Tow Strap..... Part No. 2352..... \$21.49

Tow Hook and Jack Point Decals

Note: SCCA and many other sanctioning bodies require tow hooks on cars where the roll cage is not easily accessible. These tow hooks must be clearly marked for quick identification by the safety crews.

"TOW" is available in triangular or rectangular style, pointing up, down, left, or right.

"JACK" is available in rectangular style, pointing down.

Make it easy for the Safety and Rescue crew to find your tow hook with these vinyl decals. For the **Tow Decals**, choose a Triangular or Rectangular decal with the arrow pointing **Up, Down, Left or Right**, in a variety of colors. Low tack application tape is applied to the top of the decal to allow easy installation. The vinyl exists only in the colored areas as shown in the drawing above; the white areas are not vinyl. The color of your vehicle's paint will show through in these areas, so be sure to choose a vinyl color that provides a good contrast to the underlying paint color. **Available in black, blue, neon orange, red, white and yellow.**

Rectangular Tow Hook Decal, 4" x 1.86"..... Part No. TOW-A-Direction-Color.. \$2.99
Triangular Tow Hook Decal, 4" x 2.33"..... Part No. TOW-B-Direction-Color.. \$2.99

Your crew will be able to identify a safe jacking point quickly with our **Jack Decal**. Rectangular style, pointing down only. Same color choices as above.

Rectangular Jack Decal, 4" x 1.38"..... Part No. JACK-B-Down-Color..... \$2.49

Tow Snake Recoiling Tow Strap

If you have ever run over a tow strap, you will appreciate the **Tow Snake!** This brilliantly simple tow strap uses an elastic cord to take up the slack in the strap. When the strap is tight, all of the vehicle's weight is pulled by the 2" wide nylon strap. Any time the strap goes slack, the elastic band coils up the strap to keep it out of harm's way. The sewn loops at each end are just the right size to fit over a hitch ball. 10,000 pound rated strap has a 3,333 pound working load limit. Two lengths are available. The 20 foot length is recommended for towing cars with tow hooks on the roof, or when towing by the roll bar (as on formula cars). Either length can be used on cars with tow hooks on the front of the car.

Tow Snake, 15 feet, coils to 7.5 feet..... Part No. 2360-100-15..... \$41.99

Tow Snake, 20 feet, coils to 10 feet..... Part No. 2360-100-20..... \$51.99
